Maybe Jessica should just post the version that Cal formatted (he already sent it to her) and we can make edits using track changes as we normally do. I will help pull all the edits together tomorrow.

I think the problem must have to do with accessing Sharepoint from home. It works fine here at the office.

Have a great day!

Maybe there's some code in there preventing us from editing. I don't know.

This still doesn't work for me. Does it work for anyone else? If it's not working I'm going to take it down. Please let me know.

Let's see if we're able to edit this version. This is Jess's file which has Cal's formatting edits. Please share this with anyone I missed on CARC.
